Career Objective

The main goal of my career is to help people using Artificial Intelligence and Internet as in my opinion if these two can be combined and used correctly we can create wonders.Also I believe in the power of education and have a vision to empower everyone with right type of education.

Education

Deg./Sem	Institute	University/Board	Passing year	Perc/CGPA
Semester 2	B.V.C.O.E.	G.G.S.I.P.U.	2018	9
Semester 1	B.V.C.O.E.	G.G.S.I.P.U.	2017-18	9
AISSCE	St. Cecilias̀ Public School	CBSE	2017	92.4%
10th Board	StĊecilias̀ Public School	CBSE	2015	9.4

Projects

1. MUSIC GENERATION WITH DEEP LEARNING

2. IMAGE GENERATION WITH DEEP LEARNING

3. LANE DETECTION WITH COMPUTER VISION

4. PAINTING WITH DEEP LEARNING

5. Scene Classification With Deep Learning.

6. Facial Expression Recognition With Deep Learning.

7. Deep Q Network With Deep Learning.

Training and Internships

- Attended Innovicon (AI conference Held at B.V.C.O.E.): 2-3 February 2019.

- Attended Google MLCC (Held in B.V.C.O.E.): October 2018.

- Attended Actions On Google Workshop series (Held in B.V.C.O.E.): July 2018.

- Attended Deep Learning Workshops (Held in B.V.C.O.E.): March-April 2018.

- Took the Convolutional Neural Networks Course offered by deeplearning.ai at Coursera platform.

- Attended Machine Learning Workshops organised by DSC in B.V.C.O.E: March 2018

RESEARCH PUBLICATION

1. Null
